2- Đứng giữa V và trợ động từ:	- The hotel is <i>conveniently</i> located downtown. (-->100% là adv)
3- Nếu bổ nghĩa cho V thì adv còn có thể đứng sau V đó:	Nếu V không có tân ngữ: - Tara walks <i>gracefully</i>. - Doubters make me work <i>harder</i> to prove them wrong Nếu V có tân ngữ: - Before you install this software, please read <i>the directions carefully</i>
